State Mining Corporation Limited

Terms of Reference

Background

State Mining Corporation Limited (SMC) is the subsidiary company of the Druk Holding and Investments (DHI) and was incorporated under the Companies Act of Kingdom of Bhutan on 31st December 2014. Its primary mandate is to explore mineral resources and carry out mining activities for both export and serving the local industries. SMCL has its registered Office at Gurung Basti, Samtse.

Overall Responsibilities

Mines supervisor will be responsible for activities related to operations of the mine/quarry at the site. He/she shall be the focal point for the actual implementation of the plans and programmes of the company and the rules and regulations of the regulating agencies at site. He/she shall report directly to his immediate supervisor, viz. Mines Foreman/Mines Manager/Project Manager.

General Responsibilities

He/she shall perform the following General responsibilities:

- a. Be the technical focal person at the mine site.
- b. Be conscious of the company's mission, vision, key mandates and strategies, and pledge for excellence in performance to contribute to the achievement of company's goals and objectives.
- c. Schedule day-to-day activities as per the approved environment management and mine plans, and plans, programs, instructions and directions of the company.
- d. Align the day-to-day activities to the objectives of the cost centre and for the overall achievement of the company's compact targets.
- e. Assist the senior site management team in planning and work scheduling.
- f. Understand the concept of cost efficiencies and be initiative and innovative.
- g. Know and understand the rules and regulations of the company and the regulating agencies and ensure compliance at all times.

Specific Roles and Responsibilities:

- a. Implement plans, programs and instructions at site to ensure cost effective operational activities.
- b. Develop and implement specific daily plans, as in stripping, drilling, blasting and loading activities to achieve the daily targets.
- c. Resolve work problems and recommend measures to improve efficiency & productivity.
- d. Make timely requisitions and ensure availability of required materials and supplies at site at all times.
- e. Recommend personnel actions such as urgent hiring and logistics.
- f. Prepare and submit correct reports and information as required by the company and regulating agencies.
- g. Respond to emergencies that could cause injury or loss at site.
- h. Review hourly and daily performance of the other support staff and EME and propose

ཐུལ་ཁམས་སྲ་གཏོར་ལས་འཛོལ་ཚད། State Mining Corporation Limited

recommendations and suggestions for enhancement of the performance.

- i. Resolve work problems and recommend measures to improve productivity.
- j. Educate/train support staffs, workers and EME operators for improvement of their efficiency and performance, and prevention of hazards at the work place.
- k. Strictly monitor contractors' performance and keep proper records for evaluation and billing purposes.
- l. Give on-site trainings and guidance to the employees and workers for appropriate use of equipment and tools, and skill and competency development.

Management

- a. Monitoring and controlling resources and overseeing the spending of money.
- b. Developing specific goals and plans to prioritize, organize, and accomplish your work.
- c. Using relevant information and individual judgment to determine whether events or processes comply with laws, regulations, or standards.
- d. Developing constructive and cooperative working relationships with others, and maintaining them over time.
- e. Encouraging and building mutual trust, respect, and cooperation among team members.
- f. Always cooperate and work as a team with shared goals and objectives.
- g. Support and follow corporate policy and processes at all times.
- h. Represent the company and its shareholders in a favourable manner at all times.
- i. Act with the highest level of professionalism, integrity, and ethical character at all times.
- j. Timely submission of reports and information to Corporate Office.

Health and safety

All employees must be responsible for their own health and safety and that of others, when carrying out their duties and must comply with the company's policy and rules and regulations for OHS. Therefore, the Mines Supervisor shall be responsible for:
